**91.90 Farmland preservation grants. (1) DEFINITIONS.** In this section:

(a) “Eligible farm” means a farm that has produced at least \$6,000 in gross farm revenues during the taxable year to which an application relates or, in the taxable year to which the application relates and the 2 immediately preceding taxable years, at least \$18,000 in gross farm revenues.

(b) “Household” means an individual and his or her spouse and all minor dependents.

(c) “Qualifying acres” means the number of acres of a farm that correlate to an applicant’s percentage of ownership interest in a farm to which one of the following applies:

1. The farm is wholly or partially covered by a farmland preservation agreement, except that if the farm is only partially covered, the qualifying acres calculation includes only those acres that are covered by a farmland preservation agreement.

2. The farm is located in a farmland preservation zoning district at the end of the taxable year to which the application relates.

770-3 (cont.)

1           3. If the applicant transferred the applicant's ownership interest in the farm  
2 during the taxable year to which the application relates, the farm was wholly or  
3 partially covered by a farmland preservation agreement, or the farm was located in  
4 a farmland preservation zoning district, on the date on which the applicant  
5 transferred the ownership interest. For the purposes of this subdivision, a land  
6 contract is a transfer of ownership interest.

7           **(2) ELIGIBLE APPLICANT.** An owner of farmland, domiciled in this state during  
8 the entire taxable year to which an application under this section relates, is eligible  
9 for a grant under this section, subject to the following:

11 an applicant, they may determine between them who the applicant will be. If they  
12 are unable to agree, the matter shall be referred to the secretary of agriculture, trade  
13 and consumer protection, whose decision is final.

14           (b) If any person in a household has claimed or will claim credit under subch.  
15 VIII of ch. 71, all persons from that household are ineligible to receive a grant under  
16 this section for the year to which the credit under subch. VIII of ch. 71 pertains.

17           (c) For partnerships, except publicly traded partnerships treated as  
18 corporations under s. 71.22 (1k), each individual partner is an eligible applicant.

19           (d) For limited liability companies, except limited liability companies treated  
20 as corporations under s. 71.22 (1k), each individual member is an eligible applicant.

21           (e) For purposes of filing an application under this section, the personal  
22 representative of an estate and the trustee of a trust are considered owners of  
23 farmland. The estate of a person who is a nonresident of this state on the person's  
24 date of death, a trust created by a nonresident person, a trust that receives Wisconsin

3 (f) For purposes of this section, when land is subject to a land contract, the  
4 eligible applicant is the vendee under the contract.

5 (g) For purposes of this section, when a guardian has been appointed in this  
6 state for a ward who owns the farmland, the eligible applicant is the guardian on  
7 behalf of the ward.

8 (h) For a tax-option corporation, each individual shareholder is an eligible  
9 applicant.

10 (3) GRANTS. Subject to the limitations and conditions in sub. (4), if a person who  
11 is an eligible applicant under sub. (2) applies for a grant under this section, the  
12 department shall pay the person a grant in an amount calculated by multiplying the  
13 number of the person's qualifying acres by one of the following:

14 (a) Ten dollars, if the qualifying acres are located in a farmland preservation  
15 zoning district and are also subject to a farmland preservation agreement that is  
16 entered into after July 1, 2009.

17 (b) Seven dollars and 50 cents, if the qualifying acres are located in a farmland  
18 preservation zoning district but are not subject to a farmland preservation  
19 agreement that is entered into after July 1, 2009.

20 (c) Five dollars, if the qualifying acres are subject to a farmland preservation  
21 agreement that is entered into after July 1, 2009, but are not located in a farmland  
22 preservation zoning district.

23 (4) LIMITATIONS AND CONDITIONS. (a) The department may not pay a grant under  
24 this section unless all of the following apply:

25 1. The grant relates to a taxable year that begins after December 31, 2013.

770-3 (cont.)

1           2. The applicant certifies to the department that the applicant has paid, or is  
2           legally responsible for paying, the property taxes levied against the qualifying acres

7           to which the application relates, there was no outstanding notice of noncompliance  
8           issued against the farm under s. 91.82 (2).

9           4. The applicant submits to the department a certification of compliance with  
10          soil and water conservation standards, as required by s. 91.80, issued by the county  
11          land conservation committee unless, in the last preceding year, the applicant  
12          received a tax credit under ss. 71.57 to 71.61 or s. 71.613 or a grant under this section  
13          for the same farm.

14          (b) If a farm is jointly owned by 2 or more persons who file separate income or  
15          franchise tax returns, each person may receive a grant under this section based on  
16          the person's ownership interest in the farm.

17          (c) If a person acquires or transfers ownership of a farm during a taxable year  
18          for which an application may be filed under this section, the person may apply for  
19          a grant under this section based on the person's liability for the property taxes levied  
20          on the person's qualifying acres for the taxable year to which the application relates.

21          (d) A person shall apply for a grant under this section on a form prepared by  
22          the department and shall submit any documentation required by the department.

23          On the application form, the applicant shall certify all of the following:

24           1. The number of qualifying acres for which the application is made.

770-3 (End)

2. The location and tax parcel number for each parcel on which the qualifying acres are located.

3. That the qualifying acres are covered by a farmland preservation agreement or located in a farmland preservation zoning district, or both.

4. That the qualifying acres are part of a farm that complies with applicable state soil and water conservation standards, as required by s. 91.80.

(e) A person is not eligible for a grant under this section unless the person applies for the grant within one year after the end of the taxable year to which the application relates.

If the amount appropriated under s. 20.445 (1) (fx) is insufficient to make full payment of the amount due for any year, the department shall then apply any unencumbered balance in the unemployment interest payment fund and any amounts paid under s. 108.20 (2m). If those amounts are insufficient to make full payment of the amount due for any year, the department shall require each employer subject to this chapter as of the date a rate is established under this subsection shall to pay an assessment to the unemployment interest payment fund at a rate established by the department sufficient to pay interest due on those advances from
